May 22 -- Coalition Forces freed 12 Iraqis held captive and beaten by terrorists Karmah during a raid Tuesday morning.

May 21 -- Five Iraqis held captive and tortured by terrorists were freed in Karmah, Monday morning during a Coalition Forces raid. The building was targeted to disrupt the al-Qaeda network operating in the area. Inside a padlocked room they found four men and a boy who had been kidnapped and severely beaten with chains, cables and hoses. The boy stated terrorists hooked electrical wires to his tongue and shocked him.

May 18 -- Iraqi Security Forces and Soldiers from the Multi-National Division – Baghdad discovered a torture chamber in the Yarmouk neighborhood of the Iraqi capital May 16. The house was one of two sites found that day containing evidence of criminal activity in the western Baghdad Mansour District.

April 24 -- During a raid of a suspected al-Qaeda safe house in Baghdad, Coalition Forces found a man suspended from the ceiling by a chain and freed him. He had been abducted on the job, beaten, and detained. His captors would return daily in turns to beat him and try to recruit him.

March 22 -- Coalition forces liberated three hostages and detained 13 suspected terrorists during operations targeting foreign fighter facilitation and al-Qaeda in Iraq networks in northeast Karmah. The Iraqi citizens said they were handcuffed and beaten by suspected terrorists.
